Call Peter Horozakis on 0402 870 202 for further enquiries.

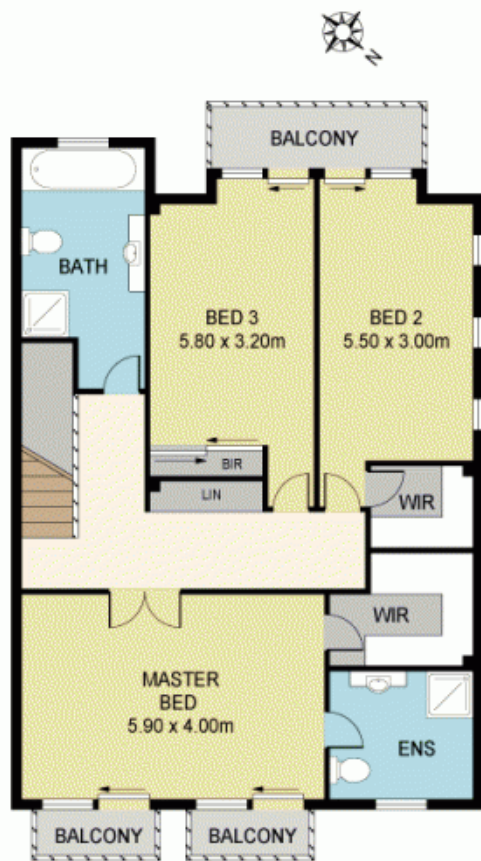

Designed and built to the highest standards approximately 8 years ago, this full brick home offers you extremely spacious free flowing living areas, beautifully landscaped private courtyard suited for large gatherings and a basement garage that fits three cars comfortably together with 2 separate storage areas.

You will be surprised and impressed as this has never been seen before in townhouse living. It has been built with the same proportions of a large house and we encourage all growing families to inspect its qualities as the property is priced to sell.
