

5 Neil Street Epping NSW

4 2 1

Renovated family charmer in one of Epping's best streets.

Peter Horozakis and the MyProperty Epping team are delighted to present this fabulous family residence that provides low maintenance & modern open plan living at its very best. It has all the modern features and comforts that someone needs and nothing else compares to it on the rental market in this Blue Ribbon locale.

Very well cared for the current home owners, family homes of this calibre are rare to find for a long term tenancy so we encourage all interested parties to register their interest immediately and be among one of the first to inspect as it will not last long.

It's prized locale provides you convenience to a range of shops, schools including the catchment for Epping West
